

SOFTWARE IMPLEMENTATION / CONSULTANT /Project Manager

ERP SOFTWARE

Who We Are

EVRON is a well-established 52 person solutions-oriented Systems Integrator with a proud 34 year history. We provide ERP software solutions including Epicor, Acumatica, Spire and Sage BusinessVision with both on premises and SAAS delivery models as well as the supporting network infrastructure.

We have clients throughout Ontario and United States. Our Software development activities are Microsoft oriented typically using Visual Studio primarily with C#, HTML5 and ASP.net with MS-SQL database. We commonly work with Web Services, SOA and XML with SOAP in providing middleware solutions.

Our capabilities for providing mobility software on any device, is a significant aspect of our client solutions.

Our team is made up of bright, hardworking, committed individuals of diverse background with great team spirit who find our environment challenging and rewarding and who take pride in providing excellent solutions and support for our clients

We are looking for

We are looking for a bright, hardworking and articulate person to provide pre-sales, systems implementation, training and client support services. Experience with Epicor, Acumatica, Accpac (Sage 300), Netsuite, Dynamics, Sage BusinessVision or other financial software packages, is of value to us.

We are looking for someone comfortable with going to client sites throughout the GTA, and providing remote support to assist clients in use of software but also be able to understand and make recommendations related to their business requirements. You may currently have the title of BA (Business Analyst).

Solid accounting expertise, ideally supported by an official designations such as MBA, CA, CGA, CMA, or in process for one of these would definitely be an asset in this role.

We will provide training so we welcome candidates with strong academic background and some experience in areas such as consulting, software development, business process analysis and accounting. This position will also be of interest for people early in their career that have the skills and ambition to grow.

Compensation

We offer a competitive salary based on experience and performance with unlimited opportunities for learning, challenge and development. Health benefits include medical, dental, life, and disability. You will also have the opportunity to gain the satisfaction of making a significant positive contribution to our client's businesses and lives.

How To Apply

If you are interested in applying for this employment opportunity please send your cover letter and resume to ns1@evron.com, attention President.
