FAS Canada 50 Asset Accounting is a highly affordable, complete fixed asset management solution, which includes many software wizards to help you take control of your fixed asset inventory.

AFFORDABLE, COMPREHENSIVE SOLUTION

A highly affordable, yet comprehensive fixed asset management solution.

Setup is a breeze with a built-in asset import wizard.

Built-in depreciation rules help to ensure you use the correct depreciation method.

FAS Canada 50 Asset Accounting is easily customized to reflect your business, including which books you want track, numerous user-defined data fields, and our “Group Manager” that gives you almost unlimited capabilities for viewing, analyzing, and reporting on your fixed assets.

So many time-saving features you will wonder how you ever managed without them--SmartLists that makes data entry faster and more accurate and asset templates for creating new assets in just a few simple clicks of the mouse.

FAS Canada 50 Asset Accounting integrates with your general ledger for quick depreciation posting.

QUALITY SUPPORT

Sage FAS SupportPlus members benefit from an unmatched level of customer support. You can use Sage FAS SupportPlus Online to get answers 24 hours a day, seven days a week. Or call our friendly experts for help. What's more, FAS SupportPlus users can also download software upgrades, access multimedia tutorials, and take advantage of exclusive discounts on new products.

Increase productivity with customizable features

- Includes customizable SmartLists for fast, accurate asset entry
- Asset templates for quick asset creation and input control
- Group Manager to find, filter, and sort
- Group View provides comprehensive asset list in a familiar spreadsheet view
- Over 20 predefined, automatic reports reveal the precise data needed for making fast, accurate decisions
- Integrates with virtually any general ledger or accounting system available
- Asset import wizard lets you easily utilize fixed asset data from existing spreadsheets or previous systems
- Detail View to examine fixed asset details as well as the location, history, notes, and disposal records for that asset
- Online Help and electronic documentation

"FAS 50 Asset Accounting is a highly affordable, complete fixed asset management solution, which includes many software wizards to help you take control of your fixed asset inventory.."
