

Evron easi.Schedule

For Staff and Resources

Do you schedule Staff and Resources?

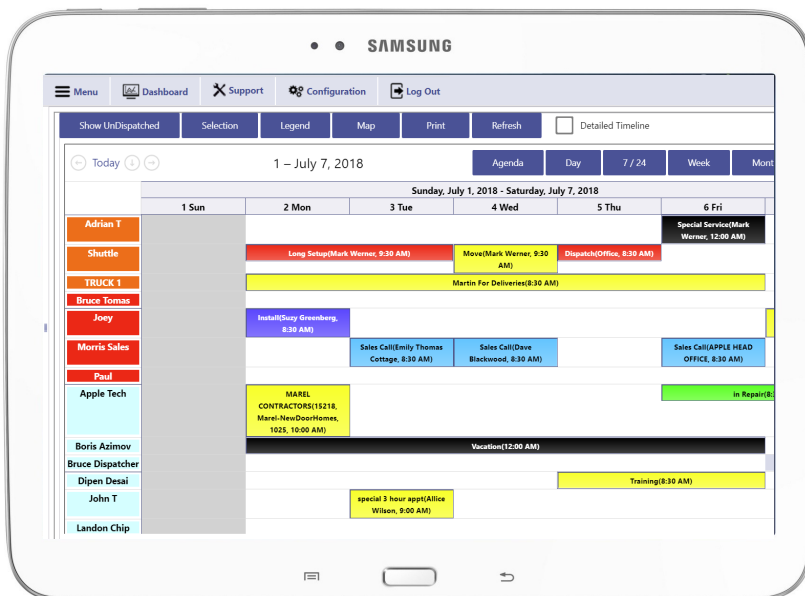

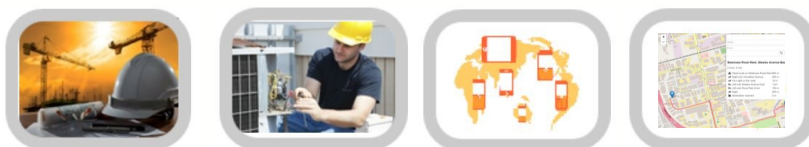

Evron's easi.Schedule gives your organization a low cost, intuitive and effective way to schedule your staff and other resources.

easi.Schedule lets you see at a glance where your staff is intended to be. Improve your utilization. Enhance your customer service. Increase your profitability. Virtually every organization can find an application. The uses are countless.

- ✓ Since easi.Schedule is a cloud service you and your staff can access from anywhere that has internet access from mobile iPad, Android and Windows devices to share information across the company
- ✓ Email notification allows you to inform users of assignments
- ✓ Runs standalone
- ✓ Integration available with Sage BusinessVision and Spire (others coming soon)
- ✓ Upgradeable to Evron's Field Service solution with Integrations to various ERPs
- ✓ Easily drag and drop appointments using the intuitive user interface
- ✓ Create appointments or assignments directly on the sophisticated calendar grid
- ✓ Instantly initiate and update multi-day multi-resource assignments
- ✓ Manage unscheduled (pending) appointments. Pertinent to construction and supporting companies
- ✓ Choose from day view, week view, month view and flexible time line view
- ✓ View appointments on integrated mapping tool

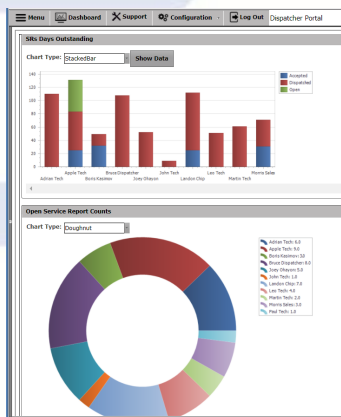

Evron easi.Schedule provides Solutions for :

- Heating, Ventilation, Air-Conditioning & Refrigeration (HVAC)
- Medical Equipment and Healthcare Industry
- Information Technology Industry
- Telecom Industry
- Construction Industry and Related Trades
- Professional Services

easi.Schedule is Low cost!
\$150 per month for the five user version which can manage up to 100 resources.

Risk Free! First month is free.
Cancelable anytime with 30 days notice.

easi.Schedule has a flexible, graphical drag and drop interface that provides dispatchers, administrators and staff a secure view of the appointments they need to see at a glance. The details that appear on the board are configurable, colour-coded and can be seen from various perspectives. Choose from a daily view, a weekly view, monthly view or try our exclusive, flexible "timeline" view that is perfect for dispatchers who need to manage the calls of multiple technicians and view on one screen or multiple screens.
