

Evron Mobile Field Service

For your Mobile Workforce

Do you send out Service Technicians?

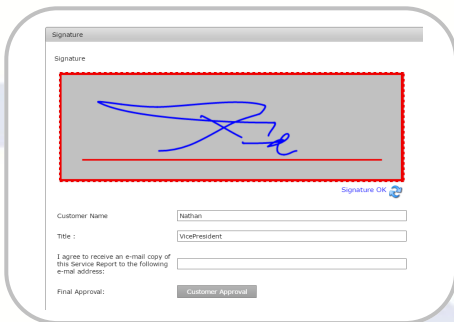

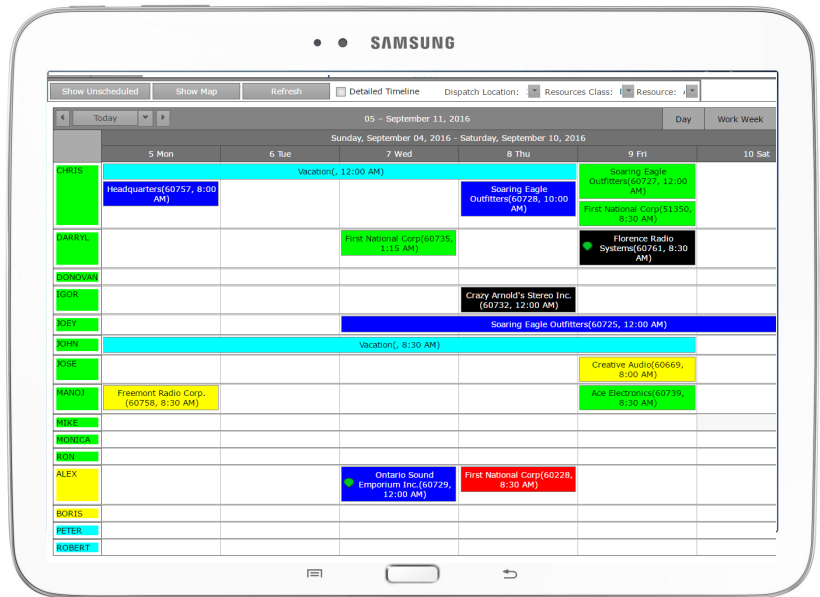

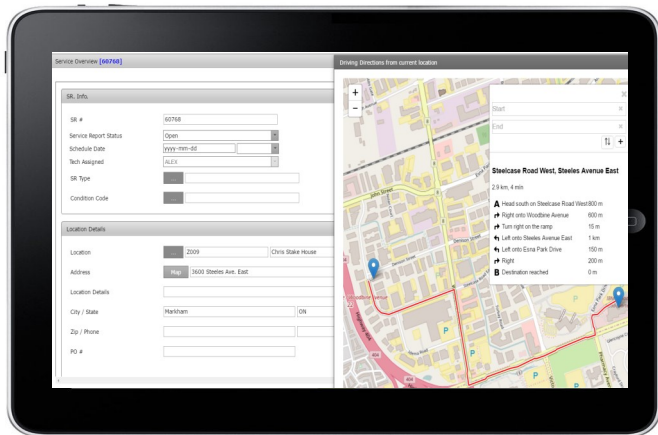

Evron Mobile Field Service is a comprehensive field service management solution designed to help you improve service management, dispatch and customer support.

Evron Mobile Field Service works with your existing ERP. Data entered once in any application is shared securely throughout the company, from technicians in the field, to service coordinators to billing and finance.

- Improve Cash Flow, Mobility, Customer Service and Profitability
- Dispatch Technicians
- Notification Workflow
- Geo Location, Maps & Routing
- Utilize Mobile devices (iPad™, Android™, Windows™)
- Capture customer acceptance

Evron Mobile Field Service provides Solutions for :

- HVAC-R (Heating, Ventilation, Air-Conditioning & Refrigeration)
- Medical Equipment and Healthcare Industry
- Information Technology Industry
- Telecom Industry
- Construction Industry

The Dispatch Calendar is a flexible, graphical drag and drop application that provides dispatchers, administrators and technicians a secure view of the appointments they need to see at a glance. The details that appear on the board are configurable, colour-coded and can be seen from various perspectives. Choose from a daily view, a weekly view, monthly view or try our exclusive, flexible "timeline" view that is perfect for dispatchers who need to manage the calls of multiple technicians and view on one screen or multiple screens.
