

Canadian EFT Suite for Acumatica

Evron Computer Systems Corp.

Send and Receive Canadian Electronic Fund Transfer in Acumatica With Evron's Canadian EFT Suite

Paying your bills and getting paid electronically is faster, safer, and cheaper. No mail delays.

Within Acumatica, businesses can automate payment processing and submit payments to Canadian banks. It's a proven solution.

Developed by Canadians for Canadian Businesses

Evron developed two Canadian EFT modules that enable Canadian businesses to make the most of their investment in Acumatica Cloud ERP: Accounts Payable (AP) and Accounts Receivable (AR).

Evron's Canadian EFT Suite presents both AP and AR capabilities. Available at a reduced price, Canadian businesses can now optimize transaction processes in all situations while saving money.

Highlights

- Covers EFT direct deposits (AP) and debit charges (AR)
- Compatible with all major Canadian banks, including BMO, CIBC, RBC, TD, and Scotiabank
- Added security measures using PAD agreements to help prevent fraud and improper withdrawals
- Automate email notifications with remittance slip
- File transfer allows 60 transactions per minute
- Processing time for transactions is substantially faster

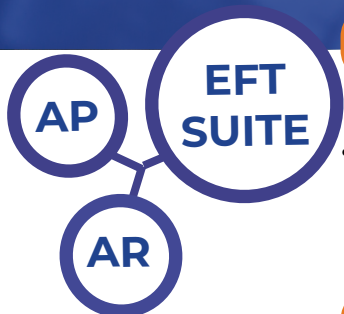

A basic Canadian EFT plan starts at \$1500 per year.
